STARGUS

Congratulates

*The South of England Airedale Terrier Club
on celebrating its 80th year.*

Our first show was the SEATC's

December Christmas Show in 1977

(then their Open Show).

*A wonderful warm welcome plus much encouragement
(AND the fact that Gus won a huge bottle of whisky and
Bonny being placed 3rd) meant that 38 years*

later we are still showing.

*Over those years all of our show dogs have stood
in the SEATC ring - some have gone on to do
great things and others became hugely important in
developing our line and those of other kennels both
here and abroad but most pleasing of all our Airedales have
been cherished for their temperament, character and as loving
members of families all around the world, and for just being*

AIREDALES.

Great shows run by great committees.

Long may it continue!

Ledley and Gus Lee

Membership renewal on **1st January** each Year.

CHAIRMAN'S MESSAGE

I cannot believe it is ten years since the club produced the last magazine how time flies in the dog world! I was just reading my last report in the 70th Anniversary edition and remembering the incident with Austin and the duvet cover and realised that of the dogs I had then only one is still with us – Phyllis who will be fourteen in September.

A number of changes have occurred in the world of dogs since the last magazine. The club is still flourishing with a reduced membership which is a concern but with the internet being available to most, some are using this and not becoming members of the club which in turn affects the functions run by the club. The Shows and Fun Walks organised by the Committee continue to be very successful but due to the lack of response from the membership the Fun Day 2014 was cancelled but the Committee are hoping to organise another event in the future to take its place in the calendar.

To celebrate the 80th Anniversary of the club's reformation in 1935 the Committee has secured an Airedale Terrier Breeder from Australia to judge the Championship Show in December. This will be Mr Keith Lovell's first judging appointment in the UK although he is a highly respected judge

worldwide and we are hoping that the UK Exhibitors provide him with a good entry of dogs to assess. We would like to welcome everyone to come and spectate if they are not showing and join in what we hope will be a special celebration show.

A Fun Walk is organised for the 10th October 2015 at the Alice Holt Forest. For those who have attended in the past we have been asked by the wardens to use the alternative car park. Directions will go on the website and Facebook nearer the time. Please come and join like minded Airedale Terrier owners and enjoy a walk of three to four miles with your dogs.

A number of changes have been made that do not only affect Airedale Terriers but other breeds as well. The introduction of the no docking of tails (unless working dogs) in 2007 did however see a reduction in the number of owners breeding Airedale Terriers and the number of puppies registered with The Kennel Club has dropped significantly. The Kennel Club has also renamed the Accredited Breeders to Assured Breeders and members of the Assured Breeders are now assessed and graded by The Kennel Club which they hope will encourage prospective owners to buy their new dogs from these breeders.

Lastly I have to say a big thank you to everyone who supports the club by attending functions and to the hard working Committee for making sure these functions are a success. Everyone plays their part and all for the love of the Airedale Terrier!

Elaine Johnstone
Chairman

FROM THE SECRETARY'S DESK

*Happy 80th Anniversary SEATC,
since the Club was reformed in 1935.*

It has been a real privilege to have been your Club Secretary these last 9 years. I cannot believe how the years have flown. It has been great to organise the shows as well as the other events so many of us enjoy. It is a good feeling when events run smoothly and all the hard work that has gone into it has paid off, thanks to a dedicated and hard working Committee.

Naturally the Club has seen some changes over the years; yearly subscriptions have risen slightly, we have the Post Office to thank for that, increasing postage with a regular monotony but the now widely accepted use of email may be bringing some relief. I find though that I do not always have an up to date email address as some mailings come back to me. I hope that you will all supply your latest email address

when renewing your membership for 2016. The form for this will come to you by email at the end of the year.

In this special year for the Club we are still looking forward to the Autumn Walk at Alice Holt on Saturday 10th October, and finally at the end of the year the Championship Show on 6th December at Bisley Pavilion. Keith Lovell will be travelling from Australia to judge the entry, so this is a really special occasion.

I look forward to seeing many of you at either or both events. The SEATC is your Club and without your loyal support we would not be able to do it.

Bobby Haly
Hon. Secretary SEATC

PRESIDENT'S MESSAGE

by Paul Hanks

In the summer of 1968 we visited an old family friend who happened to have a litter of Airedales. We came away with a bitch called Pride of Perrancourt. In December 1968 we attended our first Airedale show, the SEATC Christmas show at the Boat House Hotel, Kew Green, where we were greeted by Rene Coghlan the Secretary of the Club.

In 1976 I was elected on to the committee of the SEATC and apart from one year I have served the Club ever since this time. During this time I have been a Committee member, Vice Chairman for 2 terms, Chairman and in 2012 I was given the honour of being elected as President a very daunting post to hold in view of the great names of my predecessors – Bill Robinson CBE (Lanewood Airedales), Mac Schuth (Riverina Airedales) Eleanor Barwick, who for many years was also our vet in attendance and latterly Mrs Beryl Back (Reptonia Airedales).

In 1976 the combined Airedale clubs held a show in Scarborough to commemorate the Centenary of our breed. Unfortunately at the last minute one of the stewards had to pull out because of a back injury and on the day of the show I was asked if I would take on the position of assistant steward for the day. There were 144 dogs entered for the show with specials donated to the 5th place in every class as well as all the other specials i.e. Best Puppy, Best Junior etc. The senior steward and I were kept on the go all day. However far from putting me off, I went on to steward for Airedales and sometimes other breeds at most major Championship shows including one year at Crufts and the majority of the breed club shows. I soon learnt that while stewarding if you get yourself into the right place in the ring you

can see the best points and the movement of all the exhibits without having to peer over other spectators shoulders.

My other great interest in the breed was pedigree tracing and over the years I have taken great pleasure in tracing the ancestors of some of the breeds great dogs and then completing a 10 generation pedigree of each dog. One of the most difficult was Ch. Riverina Tweedsbairn as although he was one of the most famous dogs, when I got back to the 9th and 10th generation (10th generation went back to 1911), I found a number of dogs were unregistered and that some had several name changes. However with the help of the Kennel Club Stud books and the early breed registrations I managed to complete virtually the whole 10 generation.

We lost our last Airedale in 2012 and decided to go for a smaller more manageable breed, as we thought and decided on a Pug. How wrong we were such a bundle of energy and stubborn but much loved. Despite no longer having an Airedale I am still very much interested in the breed and still enjoy going to the shows and meeting up with all our friends.

I wish all Airedale exhibitors success and much pleasure in showing their dogs, and remember that irrespective of where you come in the show you are still taking home the best dog.

I hope to see as many of you as possible at the forthcoming shows in 2015 when we celebrate 80 years since the Club was reformed and 2016 when we hold our 70th Championship show. A unique record in our Breed.

ELEANOR BARWICK MRCVS

by Helen Axford, abridged by Bobby Haly

Eleanor was born in Croydon in 1917, her father worked for Lloyds Registry of shipping where he eventually became Secretary. Eleanor had an older brother, who was educated at Dulwich College and with many families her mother did not work.

Eleanor always had a great love of animals, early photos show she shared her life with a Chow Chow and she also remembered the odd cat.

At the age of five she decided she wanted to become a vet and on sharing that news with her father, he would have preferred her to have become a doctor.

She started her studies at Camden Town Veterinary College, but finished her training at Sonning; she qualified in 1948, in those days the course lasted five years.

Eleanor was one of seven female students starting the course, but only four qualified. The remainder of the students, up to sixty, were male.

Eleanor's first dog was a mongrel called Panda, she was a great character and she was extremely fond of her, keeping a picture of the dog on the wall. She also owned an Airedale and a Cavalier King Charles.

Eleanor's first practice was in rented premises in Chobham, but she was fortunate to have an aunt who was able to fund the purchase of the

property where she lived until shortly before her death. She practiced as a vet from her surgery at the bottom of her garden for 42 years until her retirement at the age of 78! When asked why she did not retire earlier she laughed and said that nobody had told her to retire sooner.

Being self employed and operating as a one person practice Eleanor felt she always had a slightly different attitude to most others in her profession. She never turned an animal away and did all the emergency out of hours work without additional charges. Her aunt often wished Eleanor did the work and she would handle the charges. She was sad to know that a lot of modern day practices sub-contract out of hours services.

Barbara Sedorski, Cumnoch Scotties and Airedales, was a good friend of Eleanor and she introduced her to the world of dog shows. Through this connection she became Honorary Veterinary Surgeon and later President of the South of England Airedale Terrier Club. She was also Honorary Veterinary Surgeon for the Scottish Terrier Breeders and Exhibitors Association. She was still attending shows for both when she could, with me as her willing driver and companion, and she always enjoyed catching up with friends old and new.

Eleanor's clients included amongst many others, Betty Penn-Bull, Kennelgarth Scottish Terriers, Dorothy Standen, Tambray Scottish Terriers and Clair Halford, Siccawei Airedale Terriers.

Over the years all three became very good friends of theirs, she fondly remembers time spent looking after Dorothy and her dogs when Dorothy was unwell.

Eleanor died peacefully on 26th November 2014, she was a few days short of her 98th birthday. She is fondly remembered by many and missed by us all.

Congratulations to the SEATC on their 80th
Anniversary from all at Jecadie Airedales

SEATC OPEN SHOW 29TH MARCH 2015

Judged by David Jenkins (Sherifs)

The South of England Airedale Terrier Club held an Open Show at Merstham, Surrey. This was my first judging appointment and I must say I really enjoyed my day. There was a very good entry for an open show. Thanks to the committee for the invitation and their hospitality. **BIS** was Turner's **CRILLEE COOL SCARLET, RBIS** was Lee's **BASIDALE BAROQUE KING OF STARGUS** and **BPIS** was Brown's **JOKYL NOBLE PRINCESS FOR OCEANAIRE**.

Beginners Dog or Bitch (4,1)

1. Titchmarsh's **JOKYL RED DRESS** Handled well for a beginner, a well-proportioned bitch with a lovely head, good length of neck into well laid shoulders. Good tail set and rear angulation. Moved OK. Neater trimming would improve the picture.
2. Holliman's **HAZENAIDE CARRY ON COLOMBUS**

Puppy Dog (2,1)

1. Collins' **COLLDALE SON OF ADVENTURER** A well presented dog, who is maturing nicely. Good bite and length of neck. Level back, long cast, good tail set. Needs to be more confident in movement, **BPD**.

Junior Dog (2)

1. Lee's **BASIDALE BAROQUE KING OF STARGUS (IMP RUS)** A very mature and striking dog. He created a presence in the ring. Well-proportioned head good ear set, shoulders flowed into a level top line. Good tail set and well angulated hind quarters. Coat in excellent condition, **BD**, just lost out on movement at the end, **BD & RBIS**.
2. Burkin's **NEDELLA FLASH OPAL**

Novice Dog (3,2)

1. Holliman's **HAZENAIDE CARRY ON COLOMBUS** He put in a good effort today, correct bite, well proportioned head, acceptable shoulders, well set tail. Bend of stifle could be better, moved OK

Post Graduate Dog (2,1)

1. Day's **PRINCE OF ATRYAL** A mature and soon to retire dog put a good effort into his showing. Coat reasonable for his age, Overall appearance was acceptable.

Limit Dog (3,1)

1. Edwards' **SMOCKALLEY THE JOKER** A very sound dog of good proportions, straight front, well-proportioned head and keen expression with good shoulder placement. Level top line and a well set tail. Strong hind quarters and moved with drive, **RBD**.

Open Dog (4,2)

1. Collins' **COLLDALE THE HERO** A well presented dog. Correct bite with a nice eye. Good shoulders, level top line, Good tailset. Moved OK.
2. Day's **PRINCE OF ATRYAL**

Veteran Dog or Bitch (2,1)

1. Day's **PRINCE OF ATRYAL**

Puppy Bitch (4)

1. Brown's **JOKYL NOBLE PRINCESS FOR OCEANAIRE** Just turned 6 months old, but showed with confidence, outgoing. A well balanced puppy with a well proportioned head, level top line, good depth of chest for age, tail on top. Coat and colour good. Moved well. **BPB & BP**
2. Collins' **COLLDALE ADVENTURESS GIRL**

Junior Bitch (3)

1. Lee's **BASIDALE BLYTHE SPIRIT OF STARGUS (IMP RUS)** An eye catching bitch, litter sister to **RBIS** and same stamp but preferred her movement, well up to size, well-proportioned head, long neck, good shoulders and short back, good depth of rib and tailset, good hind quarters and angulation. Coat in excellent condition and very well presented, **RBB**.

Novice Bitch (4)

1. Titchmarsh's **JOKYL RED DRESS**
2. Crossley's **MULIEBRITY OPERETTA**

Post Graduate Bitch (5,1)

1. Edwards' SMOCKALLEY RAZAMATAZ A well presented bitch, with a neat head and well laid back shoulders. Short level topline, Good tailset and strong hind quarters, moved with drive.
2. Hilton's COLLEDALE HIGH FLYER OF TOUESSROK

Limit Bitch (3,1)

1. Collins' COLLEDALE HOPE AND GLORY Correct size bitch, rather fine head, good length of neck into a short back. Good tail set and rear angulation, moved OK well presented
2. Haley's VIVAVICK TITTLTATTLE

Open Bitch (6,3)

1. Turner's CRILLEE COOL SCARLET A really feminine bitch of ideal size and substance, lovely well proportioned head, dark eye and well set ears. Good length of neck and well laid back shoulders. Short back, good depth of rib and tail on top. Strong hind quarters and moved with drive. Good coat and well presented, **BB & BIS**.
2. Collins' BEACYTAN BEST SELLER OF COLLEDALE.

THE JUDY FUN WALK 26TH APRIL 2015

by Jane Johnstone

How can anyone not enjoy a walk in beautiful bluebell woods, with friends, talking and walking with Airedale Terriers all around.

I am always thrilled to see so many Airedale Terriers together, and I often think to myself, if only our dogs knew what excitement was ahead of them when they wake up on Judy Fun Walk Day!

Cars and vans arrive and excited Airedale Terriers they meet wag tails and you can really see the true excitement in their eyes, as some of them see for the first time, other Airedale Terriers that look just like them!

We were blessed with a dry day, and as we headed off across the fields, the long string of excited people and dogs are a fun sight to see.

Bobby Haly and Elaine Johnstone headed off on the 'short walk' with a map in hand! Iain Johnstone headed off in the same direction for the long walk, with a Map in hand! Map I hear you all say, both parties got lost, but this did not dampen the walk what so ever, it just meant we talked and walked for longer.

I love walking through the village and seeing all the locals look out as Airedale Terrier after Airedale Terrier pass their doors. People pushing buggies, and children inside the buggies look on with amazement as we string out down the village lanes, and the Airedale Terriers keep coming.

From young to old, we stride out with pride and the tradition of this walk is a highlight for me every year.

This year we had a young family joined us, Gemma, Tom and Esme, and their young Airedale Terrier Maggie, and with buggy in hand, we bounced across the fields and even across some seriously muddy sections in the beautiful bluebell woods, we lifted the dogs and buggy over stiles, but nothing stopped them, everyone is welcome.

Lunch is always a feast, with a great ploughman's, and yummy deserts, all effortlessly put together as always by Joan Edwards and served by the hard working committee. We had some great raffle prizes, and fun was had by all.

As we all sat around enjoying lunch, with dogs at our feet (many of them asleep) you realise, these traditions are precious, and should never be forgotten. The work everyone puts in to make the day flow smoothly is a testament to the team that quietly stands in the back ground making it all happen.

If you have ever thought, Judy Walk, sounds nice, I might go next year, make next year your year, once you have taken part, you will want to come every year, some things in life are worth sharing and this special day is one of them. *Pictured right is a selection of the photos taken by Justin Brice, hope you enjoy them.*

Our next walk is the Autumn Walk which is on Saturday 10th October at Alice Holt Forest. A flyer is enclosed with this mailing but please note there is a change in the car parking arrangements which will be signposted on entering the area on the day.

Outward bound

Up the hill

This is my stick

We want to play

Have we met before?

At the crossroads half way not going back now

We three Queens

Taking a breather

This is the life cuddles after a good walk

MEMORIES OF AIREDALES IN THE EARLY DAYS – CIRCA 1947

from Olive Jackson (nee Angel) (Jokyl)

Airborne Kennels, where there were always Airedales, was where I was lucky enough to train. On the boarding side there were four resident Airedales who were visited at least weekly by their owner J.K. Robertson the breeding side had the ‘Cumnoch’ Airedales and Scotties which were owned by Barbara Sedorski. We also had a Vet Surgery attached to our kennels owned by Eleanor Barwick, who looked after our dogs as well as many others; an uncommon setup these days. Kennel life was similar to today, hairy Airedales everyday! They certainly kept us busy.

Attending shows was my passion and I was keen to go to as many as possible. The South of England Airedale Terrier Club was our closest and therefore accessible. The members and the shows were certainly incredibly friendly and welcoming to youngsters such as myself – I learned so much from them. At this time the Hon. Secretary was Rene Coghlan with her famous Joreen Airedales.

The Club shows were held at the Hampton Church Hall just yards away from

Mrs. Coghlan’s home. We always had both a good quality and quantity of entries with the same friendly atmosphere that exists today. There was so much enthusiasm and interest after all the years of Wartime restrictions. My mother was very often on the door selling raffle tickets, in the same way as things are done today. The hall was very close to the river Thames, making it rather chilly in the winter, so we had to wrap up warm. Having said that, Championship Shows were held at Kew boathouse and I remember my first being outdoors as the weather was so lovely. I’m sure this was the show where Penelope of Joreen won the CC.

A special memory for me is that of two Airedale heads popping out of a motorbike’s sidebox as it pulled up outside the show. If my memory serves me right the driver was Les Atkinson, Judy Averis’ father – we didn’t have the cosy cars or vans of today.

My first puppy was from the Joreen’s, “Vanity of Joreen” (1948) by Inverdoon Rally out of Jem of Joreen. Rally was one of the Airedales at Airbourne which had a huge impact on me with his great temperament. From that puppy forwards, shows were a regular occurrence in my diary, as they still are today. Other regular competitors were the Riverina and the Siccawei Airedales. They always had fantastic Airedales that everyone wanted to see. Rene was a great secretary and so helpful to everyone.

*A beautiful head study of Olive's first Airedale Terrier
Vanity of Joreen, bred by Rene Coghlan.*

The memories of later shows and dogs are too numerous to write about here, but I would like to say a big thank you to everyone that has been part of my showing life both past and present; showing has brought me so much pleasure over the years.

Olive Jackson winning the group at Blackpool in 1959 with Ch. Jokyl Berrieslea Monarque, the judge was Miss Loughrey.

Update for the last 10 years at THE SOUTH OF ENGLAND AIREDALE TERRIER CLUB 2005 - 2015

It is now 9 years since the last update of the history of the Club. Elaine Johnstone who was elected as Chairman in 2005 is still proving to be very popular and efficient after 9 years in the post. Beryl Back resigned from the post of President in 2012, this post is now held by Paul Hanks who continues to serve the Club unreservedly. He also takes on the role of Show Manager at the Club's shows.

In 2005 the Club celebrated its 70th Anniversary with both the Open and Championship shows being made special shows by the Committee. The principal winners being at the Open Show Best in Show Collins & Curran's Collcurr Adventurer Reserve B.I.S. Turners Junaken Vindication and Best Puppy in Show Jackson & Swash's Jokyl Bittersweet. The Championship Show winners were Oates Stabuks Echo Reserve B.I.S Lee's Stargus Devils Due and Best Puppy in Show Terry's Daielsie Jan's Party Girl. In 2006 the Club held its 60th Championship show which was judged by Mareth Kipp from the USA. Best in Show was Jackson and Swash's Jokyl Bittersweet, Reserve B.I.S Terry's Daielsie Jan's Party Girl, Best Puppy in Show Jackson and Swash's Jokyl Captain Scarlet.

The Club still holds two shows a year, and other social events. The Judy Wallace Bluebell Walk started in 1999 and this is still very well attended. Also the Club had run a Fun Day until 2014 and an Autumn Walk; all events are popular with show exhibitors and pet owners.

Two of the Clubs awards worthy of special mention are the Ch. Riverina Tweedsbairn Gold Cup presented to the Club by Miss McCaughey and her sister Mrs Biard Watson to commemorate Tweedsbairn winning Best in Show at Crufts dog show in 1961. This is awarded to a member of the S.E.A.T.C. making up their first Champion. The cup itself is over 100 years old.

Kings Ransom Rose Photo: D Brand

The other long term special award is The Clare Halford Siccawei Memorial Rose Fund. This was set up following the death of Clare Halford on 1st January 1974 when the Committee decided to award a Kings Ransom rose bush to the winners of each of the puppy classes at every Club show.

Ch. Siccawei Kings Ransom was one of Clare's most successful Airedale Terriers. This award still continues to this day 40 years after its inception.

There have been a number of changes to the committee over the past decade; Shirley Howard resigned in 2006 after many years on the committee a number of these years as an Officer. Rowland Turner took on the task of balancing the Club's Accounts from Shirley and the following year Bobby Haly replaced Alison Awbery as Honorary Secretary. Renee Bartlett, Anthony Morris and David Warner all long standing members of the Committee passed away as did Eleanor Barwick our past President and Veterinary Surgeon. Pat Crome, Paul Hanks and Elaine Johnstone who are on the current Committee have served for over 115 years between them!

PROFILE OF KEITH LOVELL (Tjuringa) THE SEATC CHAMPIONSHIP SHOW JUDGE 2015

Keith and Trish Lovell's first Airedale was born May 27th 1967 the same year that they were married. Ch Strongfort Samantha Jo won at the Royal Melbourne Show and was later known in Australia as "The Great Producer" because of the number of "TJURINGA" Champions and Group winners that she gave their kennel.

By 1975 Keith was judging Airedales in Australia and New Zealand.

In 1977 he judged the Championship Show of The Airedale Terrier Club of Victoria where his entry was about 70. In 1986 he judged 146 Airedales at Montgomery County in the USA and in 2011 he judged that show's Best in Show.

Keith has judged every Airedale Club in the Southern Hemisphere as well as Airedales in several US States, Romania, Ireland, Japan, Portugal, Sweden, Norway, Denmark, Finland, Poland, Argentina and Hungary. Keith actually is licensed for over 120 breeds. He has judged all breed best in show in FCI Europe and USA.

As a breeder Keith has bred International, New Zealand, Swedish, Norwegian and American champions; has imported Airedales and semen from Estonia, UK, and USA; bred over 100 champions and set records for the breed in Australia in the show ring. In 1976 Arthur Lodge judged 176 Airedales in Melbourne and awarded the Lovells bred and handled Ch Tjuringa Hurrah best in show. Ch Tjuringa Firecracker, number one Airedale in Australia in 2006 became the only Airedale ever to win a State Capital City ROYAL SHOW. Ch Tjuringa Razzle Dazzle holds the

record for Specialty Best in Show wins in Australia for a bitch.

Keith and Trish have always groomed and handled their own dogs. They have also bred and made champions of their Tjuringa breeding in Welsh Terriers, Fox Terriers and Irish Terriers.

Keith regards it a great honour to be judging the South of England Airedale Terrier Club Show in 2015 and thanks the Committee and members for their trust.

SIXTY YEARS OF SEATC MEMORIES

by Mary Swash (Jokyl)

Mary and Ricky (Ch. Riverina Tweedsbairn)

I first became aware of The South of England ATC sixty years ago. I was nineteen and had gone to work for professional handler Joe Cartledge. I had previously worked in a large kennel of Wire Fox Terriers and had bred and shown that breed with some success. The first two Airedale Terriers we had to show were for Mr George Jackson. Mayjack Briar, bred by his daughter Mary and Riverina Galena, bred by the partnership of Pat McCaughey and Doris (Mac) Schuth of Riverina fame.

Of course, these were shown at the South of England Championship shows and we were

soon caught up in the activities of the club. The entries were wonderful in those days and the well run shows under the leadership of secretary Rene Coghlan (Joreen Kennels) attracted exhibitors and professional handlers from all over the country.

After the Airedale, Ch. Riverina Tweedsbairn handled by Joe, won Best in Show at Crufts in 1961, the South of England Club organised a party (The Tweedsbairn Party) inviting the other group winners from Crufts to a buffet supper and a parade of these great dogs. This party was held annually with Tweedsbairn (Ricky) attending them all until his demise at 14 years of age. These parties were always hosted by the Club, with around 100 plus guests and usually good coverage by the dog press, the correspondents being invited to the parties. I have some interesting reportage from

the time (Terry Thorn, Maurice Marshall, Jane Miller etc.) I'm sure there isn't

room for them all, but the menu for the 1980 "do" included in Maurice's write up was "*a sumptuous meal of ham and chicken salad with all the trimmings, various flans with cream, cheese and biscuits followed by coffee. Dancing and drinking then continued. Marvellous!!*"

The last Tweedsbairn party, incorporating a barn dance, was in 1990. The 30th in '91 was cancelled due to bad weather and that was the end of them sadly.

The prestigious Gold Cup was presented by Pat and Mac in Ricky's honour for 'a

member making up their first champion'. This is a real gold plated cup so must not have metal cleaner used on it please! Gladys Coxall, a staunch supporter of all the Airedale clubs and especially the South, won the cup with her bitch Ch Ginger Dancing Song by Jokyl in 1990. It had become somewhat damaged over the years, in typical Gladys fashion she had it repaired and engraved up to date.

The South of England club has been fortunate over the years, to attract highly motivated people in top positions in the club, in particular the Secretaries who nearly all have held the position for many years at a time.

The South was the first club to recognise the need to collect money for rescue and rehoming of our beloved Airedales. Started by 'Mac' Schuth it was originally called 'Airedales in Distress' and collecting boxes were made by committee member Tony Morris. A cabinet maker by profession, the boxes were well-constructed, beautifully varnished and hand painted. They were distributed to anyone who was willing to get contributions.

We still have one at Jokyl – I wonder if there are any more out there? Rescue co-ordinators in the past have been generous with their time, setting aside a kennel to be used for any dog that has absolutely nowhere else to go, with support from clubs funds and donations raised from raffles at shows and special events.

My involvement with the club has mainly been as an exhibitor and attendee of social events but I have always appreciated the friendliness and hospitality, fabulous buffets at the Championship shows, tea and coffee and comradery. I'm so looking forward to the 80th Anniversary show, I'm sure the club will excel itself. They have invited an overseas judge which makes it even more interesting. We will find out how our dogs compare and exchange views on Airedale Terriers that interest all who breed and show.

I wish the South of England a very happy 80th (re-formed) Anniversary show, and to the officers who do most of the hard work a big thank you in advance.

TWO NEW CHAMPIONS IN 1935

Extracts taken from 'Our Dogs' and 'Dog World'

We feature here two new Champions made up in 1935, **Champion Tavern Leatherface** a male and **Champion Cricket** a female. They were both born in 1933, Cricket was bred by F. Singleton and Leatherface was bred by H. Hughes.

First we reproduced text taken from an article featuring the famous Walnut Kennels, owned by Sam Bamford who also owned Champion Tavern Leatherface. This extract is taken from 'Our Dogs'.

"The Airedale Terrier Ch. Tavern Leatherface, a beautifully balanced Airedale, as sound as an acorn at both ends. Blessed with a true Airedale's head and expression, he has a sound, hard, rich black-and-tan coat. He is the winner of six challenge prizes. He has great bone and substance, a dog with a rosy outlook for the future. Probably the best young dog of the year."
His stud fee was £3 3s... amazing.

Our second Champion is featured in 'The Dog World Annual', taken from an article about the Waycon Airedale Terriers owned by Mr A. Lang who also owned Champion Cricket.

"Ch. Cricket pictured below which although more or less retired from the show ring, still retains those outstanding qualities which made her such a redoubtable opponent during 1935 when, besides winning innumerable prizes, she was awarded certificates at the Great Joint, National Airedale, Taunton and Blackpool Championship Shows. Her blood lines are of the bluest, being by Walnut King Nobbler ex Miss Della."

LEILA TRUE TERRIER SPIRIT BY HER AND HER OWNERS!

by Sylvia Wright

After three weeks on the run, fending for herself in the fields and woods within the rural area of Great Bardfield and Stebbing, in Essex, Leila, an elusive five year old Airedale Terrier bitch, is back home in Great Bardfield with her owner, Ann.

Leila was bred by Elaine Johnstone of Newbury in Berkshire, with whom she lived until she was five and a half years old when she was rehomed with Ann, five days before her escape.

Hundreds of notices reporting her disappearance were circulated and visits made to remote houses and farms in the area. Few positive sightings were reported but every day miles of footpaths, bridle ways and cart tracks, which criss cross the region, were combed for hours on end. During the recent heatwave temperatures soared and were sometimes in the 90's.

Elaine Johnstone repeatedly travelled from Newbury to join in the search, hoping her voice and scent would attract Leila. After two fruitless weeks, a clairvoyant was consulted who gave reassurance that Leila was all right and would, eventually, come to Elaine. Elaine's husband quoted at the time that he knew nothing would stop her looking for Leila after being told she would come back to her!

The breakthrough came at 6.30 a.m. on Monday morning of the third week, when Leila was reported drinking from a pond at

Holt Farm - the first time she had been seen without being disturbed. Four times the following day she was seen on the farm but trotted off each time she was spoken to. It was decided to leave her alone and try to set up a feeding routine, hoping this would encourage her to stay around the farm until Elaine returned from Newbury three days later, on Friday, Ann Smith left food and fresh water at the pond late each night and received confirmation each morning from the very helpful family in the adjacent farmhouse that Leila had visited and eaten.

Leila back home safe and sound.

Finally, on Friday night at 10.00 p.m. Elaine and Ann set up camp at the farm, sitting outside Elaine's car parked a few feet from the pond, with the tailgate up and dog cage wedged open. Food was placed by the pond. At about 12.55 a.m. a bump was heard and Leila had come home - jumping straight into the open

cage and waiting for Elaine - who hoped it was a dog she'd caught and not a fox or a deer!

On returning to her new home she was found to be in surprisingly good shape having lost very little weight and, apart from one or two burrs, etc., quite clean. She settled down immediately as though she had never been away, to the delight of everyone. She was tired, of course, but it is suspected that the search party walked many more miles than Leila!

MY EARLY DAY'S AT "THE SOUTH"

by Pat Crome (Tintara)

I've been asked to write of my early memories as a member of "The South" a difficult task as there are so many.

In 2004 I celebrated at our Championship Show in December, the 50th Anniversary of my first South Show. So 10 years on in 2014 it was the 60th Anniversary of my first show, and in 2016 I have the honour of judging at the South's 70th Championship Show.

It's like ancient history, but I don't know where the time has gone. Hampton Church hall was the venue on the 4th December 1954 and it was a members' sanction show (the champ show being held in March in those days) Miss A.M, Jenkinson of Tycroft fame was the judge. The club secretary then was Mrs. Rene Coghlan (Joreen) in appearance a quite formidable lady, who ran events her way and would stand no nonsense. Any new member or exhibitor was thought of as her "baby" and taken under the club wing. Once known, her rather frightening aspect softened, help offered to her "chicks" was always forthcoming and generously given. Overall shows were better supported entry wise than now, there being rather more breeders in the south area than today probably has a considerable bearing.

I didn't drive at that time, being too young, but was fortunate to be taken by a local Scottie breeder who had been detailed to make sure I got there by the breeders of my puppy. The Scottie and Airedale fraternity had a close affinity then and held regular matches.

I had a wonderful day collecting a first, a second and a third; being well hooked beforehand the sheer joy of winning these placings cemented the bug for life. From then on shows were a must, getting there the problem, public transport was the only answer.

London shows were relatively easy as I lived near a direct train line, but Hampton was more difficult. I remember this entailed a mile walk from home to the local London green bus station - bus to Windsor - another bus number 216 I think to Hampton, then walk the rest of the way to the hall. This all at the discretion of the conductor or driver. One time I had to get a taxi from Windsor because of an anti conductor, couldn't be late for judging by waiting an hour for the next bus as well as the possibility of another refusal. The taxi fare must have left a big hole in my pocket as at the time I was earning £3 10s (three pounds ten shillings) a week out of which I had to pay my mum housekeeping, feed my dog, clothe myself and most important, enter shows.

The Hampton shows always culminated at the local hostel, a short walk from the hall, through the graveyard past the Church, no drink drive laws then. This social gethering was rather like our present day show "parties" where all could relax, chat about the days events and the Airedale scene in general. I learnt a lot by just listening, orange squash in hand, ever hopeful that some kind soul could give me a lift part way home, at least to a bus route.

I wish my present dogs were as well behaved and trained as those early ones, perhaps for me the need is not now so great. On boarding a bus it was straight down the aisle or upstairs under the back seat, no sound or movement, often other passengers wouldn't know one or two Airedales were traveling until we got off! Crates, boxes, tables, were not standard requisites, have dog will travel, one bag, brush, comb, water bowl, bench chain and collar if a benched show, oh how spoilt we are now.

The Championship shows were held in London, Lime Grove baths Shepherds Bush, then Seymour Hall baths, not far from Edgware Road, in the 60's. Both venues were public baths, the swimming pool boarded over to form a large hall. Seymour Hall because of its vast size was shared with

the Scottie club, then the Keeshond club, this of course helped to offset expenses. The two club Champ shows ran totally independently with benching and rings either end. It worked really well for a number of years, but eventually parking became more and more difficult as well as finding another club to share once the Keeshonds decided to make alternative arrangements. Having moved out of London various venues have been used, broadly speaking within the southern region, until currently Bisley.

Over the years I have had a lot of fun, enjoyment and particularly friendship through a long association with my favourite club "THE SOUTH".

80th Anniversary Congratulations.

DISCOVER DOGS 2014

by *Bobby Haly*

As on quite a few previous occasions, Joan Edwards and myself with all equipment for setting up the booth and our carefully selected dogs made our way to Earls Court to represent our breed on behalf of the SEATC. This year we had the added advantage of Manuel Fernandez coming as well. Manuel had decided not to bring his lovely Sante, as she had to attend on Sunday for the semi finals of the KC Junior Warrant winners. She got through to the final, which will be held at Crufts. Congratulations to Manuel and Sante for this fantastic achievement!

We arrived even before dawn and it took the three of us several hours to make the booth look informative and cheerful. This year being the centenary of the outbreak of WWI, and the massive involvement of Airedales, trained by Colonel & Mrs. Richardson, I had made a pictorial record, showing what Airedales managed to do in WWI. Many people commented on the pictures and asked questions about this.

The general public entered at 10.00 prompt, just as we laid the finishing touches to our displays. As always there were many questions from the public, and many, sometimes poignant stories. It is very satisfying to be able to assist people and to help them make the right decision about which breed of dog is suitable for them. The handouts prepared for the day by SEATC, NATA, MCATC and ATTCR flew out from the booth. Well worth spending hours printing and copying them.

Both dogs attending were marvelous, both young, but outgoing and happy to be petted. Joan's Tess could not help barking at every dog going by, but what do you expect from an Airedale! My Pula Pula was a bit quieter, though she enjoyed her day too.

We were very pleased to see Olive Jackson, who said that this was the first time she had come to Discover Dogs, I hope it won't be the last time either. She was accompanied by her son and daughter in law.

As always, the exhibition hall was chock a block with merchandise, everything imaginable for canine comfort was available. The usual events were held too, the Golden Retriever Display Team, dancing dogs, agility, in which an Airedale from Devon took part, trimming competitions, Junior Handling Semi finals and many more.

The KC reported attendance of nearly 30,000 over the two days, which is slightly down on last year. Sadly the Saturday always clashes with The Lord Mayor Show, which must keep attendance down.

All three humans as well as the two dogs had a satisfying day and I am sure that the Sunday will be a similar experience when the Airedale Terrier Training Club of Rushmoor will be at the helm.

This has now finally been the last time the event was held at Earls Court, next year will be at Excel on 17th and 18th October.

Joan Edwards and Manuel Fernandez standing next to the Airedale Terrier Booth, with Tess and Pula Pula as on lookers.

Archie Designs

Archie our Airedale Terrier has always come to work with us, so he was the inspiration behind our new venture

ARCHIE DESIGNS

We noticed that there was a real lack of well made note books and cards that were made in England combined with the Airedale silhouette being so striking we decided to make a pad with this foil blocked on the front - we took this to our training club for feed back and it was well received.

We decided to set up a company in his name so **ARCHIE DESIGNS** was born. We now have 15 breeds in the range including Fox Terrier, Pug, Spaniel and English Bull Terrier.

We have also produced some special note books for the ***South of England Airedale Terrier Club*** and ***The Airedale Terrier Training Club of Rushmoor***, it's just a case of getting a new foiling tool made.

We have a face book page where you can see more about us or email us at archiedesigns@outlook.com

The
CRILLEE GIRLS...
Our future

Lyra

We started showing Airedales in 1988, we became hooked very soon after, and we have had a great deal of success along the way showing some lovely dogs, some we have bred and some we had the pleasure of handling. We have made many wonderful friends and our Airedale's mean the world to us.

Our small show kennel comprises mainly of girls but **Colin** (Ch. Crillee Carry On Commando With Jokyl) was our first home bred champion. **Bea** (Ch. Crillee Carry On Baby) became our second home bred champion and **Scarlet** (Crillee Cool Scarlet) a half sister is now on 1CC and 4 RCC's. **Lyra** (Jokyl Star Struck) a Colin daughter is the new addition to the Crillee Team and has two Best Puppy wins. **Blue** (Crillee Catch Of The Day) born in December 2014 and owned by Gill Hill had his show debut at Windsor and qualified for Crufts.

Colin, Bea and Lyra descend back to **Jake** (Ch. Jokyl Something Hot) who was our first show champion. *Photos by David Brand.*
